Bethany Children's Health Center Summary of Financial Assistance Policy

Eligibility

Bethany Children's Health Center, offers a Financial Assistance Program to uninsured patients. An uninsured patient is someone who does not have any health coverage at all, whether through insurance or any government program. Financial Assistance is generally secondary to all other financial resources available to the patient. Financial Assistance is not granted to an individual who is eligible for insurance but has refused to apply. Necessary medical services not covered by insurance or government programs will be considered for financial assistance.

Income Guidelines

If you are an uninsured patient, you may qualify for the Financial Assistance Program if you have an annual household income of less than 400% of the federal poverty guidelines. You will be able to see an example of the federal poverty guidelines by going to the link <http://aspe.hhs.gov/poverty/>.

Collection Procedures

Normal collection procedures will be followed for all patients unless Bethany Children's Financial Assistance Application Form is completed and submitted to Bethany Children's along with required documents listed on the application.
