

family connections

Family Connections is a peer based support network, connecting families with similar experiences for emotional support and encouragement. Are you new to Bethany Children's Health Center and want to know what to expect from another parent's perspective? Would you like to connect with another family who has a child with a similar diagnosis? Are you preparing for a discharge and want to talk to a family who has already taken their child home? Or are you a family member that would like to offer your support and knowledge to another family? Family Connections may be for you!

goals

- Peer to peer connections
- Collaboration between current families and former families
- Improve the flow of transitions throughout the patient and family's stay
- Preparing families for admission and discharge procedures

qualifications + responsibility

Those who qualify are family members of current or former inpatients and current outpatient families.

Responsibilities of the members are to educate others about his/her experiences, admission and discharge guidance, assistance with parent/guardian tours and to promote Family Connections.

time commitment

As a member of Family Connections you can be as involved as your schedule allows.
