

Bethany Children's Health Center's Pediatric Clinic is dedicated to treating both well children and those in the community with complex medical needs. The clinic provides a wide variety of services to more than 2,300 patient each year.

Uniquely staffed by a team comprised of Oklahoma's finest doctors, the clinic provides patients with comprehensive treatment ranging from general pediatrics to therapies for children with complex medical and physical disabilities.

services include:

- Wellness checkups and preventive care
- Immunizations
- Same/next-day visits for illnesses
- Social services and support
- Management of mental health needs
- Additional services and support for children with special health care needs
- 24-hour access to health advice
- Telehealth services available for select needs

play while you wait

Aiming to transform the waiting room experience to a fun, anxiety-free environment, Play While You Wait volunteers provide engaging activities, such as crafts, games, and puzzles to patients and siblings in the clinic waiting room. Volunteer Services schedules volunteers, Monday - Friday. An activity cart stocked with games, puzzles, crafts and books is provided.

office hours

Monday - Friday: 8 am - 4:30 pm
